POSITION 1

Scot Jeffus_7036 Zan Loop

My family and I have lived in Har-Ber Meadows for 19 years. I was born and raised in N.W. Arkansas and Har-Ber Meadows is one of the most beautiful communities in N.W. Arkansas. I would like to have a chance to serve on the Board to help keep the community of Har-Ber Meadows beautiful, safe and a leading-edge community for all who live here to enjoy.

POSITION2

Robert Stephenson_763 Clinton Circle

Focused on faith, family, and community.

My name is Robert Stephenson and I would be honored for the privilege of serving our community. My wife Jennifer and I have been married for ten years; we have two beautiful girls Caroline and Caitlyn. We purchased our dream home on Clinton circle in 2018 and have thoroughly enjoyed being a part of the community and building relationships with our neighbors.

I grew up in the small town of Rison Arkansas, a town of 1200 people. In that town I learned so much about people, life, and community. I graduated from Rison High school in 2006 and enrolled in Henderson State University to play football that following August. However, when summer practices commenced, I discovered that Henderson offered a professional pilot career path. I quit football before that story ever started and re-enrolled as an aviation major. I excelled through my ratings and became a certified flight instructor by my junior year.

I flew small jobs for two years before landing my dream job with Tyson Foods in 2012. I currently serve as senior captain in our flight department. I am blessed beyond measure for the career opportunities that have been given to me but the most important things to me are God and my family.

As someone who values my community and personal family time, I would like to volunteer myself in organizing family events and arranging community gatherings. I believe that the more we gather and live life together that stronger relationships can be formed and the result of that would be a closer-knit community of people.

POSITION 6

Mark Towery_6632 Tall Oaks Loop South

I want to serve the neighborhood by being a POA board member and ensuring we are good stewards of the funds we receive and use those funds responsibly to keep the neighborhood in excellent condition.

I am a native of central Louisiana but have lived in Northwest Arkansas since 2006. I am a May, 2000 graduate of Louisiana State University, earning a bachelor's degree in accounting with a minor in Spanish.

I started my career as a public accountant and worked for PricewaterhouseCoopers (PwC) in New Orleans, LA. Scoring the highest grades in the state, I passed the Louisiana CPA exam on my first try in May of 2001 and received my license in September of the same year.

After approximately six years in public accounting at PwC, I accepted a job at one of my clients, Allen Canning Company, in Siloam Springs, Arkansas. I served as their Treasurer and Director of Financial Reporting for almost eight years before accepting a position at Tyson Foods in their internal audit department. Less than one year later, I moved to the procurement department at Tyson and served as their Director of Shared Services. Recently, I accepted a Director of Procurement Operations role at Simmons Foods in Siloam Springs.

I am happily married to my wife Christine, and we have four children, with two of them still living in the home. We attend Crosspointe Community Fellowship in Tontitown. I currently lead a life group there, and I have previously taught Dave Ramsey's Financial Peace University. My hobbies include CrossFit, walking, and Chess.
